Letter From **BHSSF**

We are delighted to present the Beaverton High School Success Fund (BHSSF) 2022-2023 annual report, highlighting the incredible accomplishments of the past year and the vital role that the BHSSF continues to play in our journey toward educational excellence. We are humbled by your continued support, and we are committed to providing our students with the best possible opportunities for success.

Over the past year, our seniors have achieved remarkable academic and personal growth. We are proud to announce that we awarded 30 scholarships to our deserving seniors, allowing them to pursue higher education and follow their dreams. These scholarships have eased the financial burden on their families and provide a solid foundation for their future success. Furthermore, we introduced the Anne Erwin Scholarship for sophomores who commit to community involvement and academic excellence at Beaverton High School (BHS).

This scholarship program encourages students to contribute positively to our school and become strong school leaders as they enter their junior and senior years.

In our commitment to fostering an inclusive and accessible school environment, we are thrilled to share that we have continued to reduce or eliminate fees for extracurricular activities as well as supply ASB stickers to every single Beaverton High School student. This initiative ensures that no student is left behind and that all students can participate in the activities and events that enrich their high school experience. We firmly believe that these opportunities help our students grow academically, emotionally, and socially.

One of the highlights of the past year was the immensely successful Benefit organized by the BHSSF. Thanks to the dedication of our volunteers, the generosity of our donors, and the participation of our community, we raised a record amount to support our school's programs and initiatives. This success allows us to continue investing in our students' education and enhancing their overall high school experience.

We would also like to shine a light on the tremendous impact and legacy left by departing BHSSF President, Jon Caplan. Jon was a very early board member of the BHSSF and quickly moved up to provide excellent leadership as Treasurer, then President over the past eight years. Jon not only played a crucial role in securing some of the largest gifts the fund has received, but he helped implement rigor and process to the fund's operations, leaving behind an amazing organization that has no peer amongst public high schools in the state. We are deeply grateful for all of Jon's hard work.

We are also immensely grateful for this community's ongoing support which enables us to make a positive impact on the lives of our students and staff. Please be on the lookout for invitation details for our Annual Benefit this spring, and we look forward to working together to ensure a bright and prosperous future for BHS.

Sincerely,

JOSH KOLBERG

WHO WE ARE

Fundraising and Investments

Beaverton High School Success Fund raises private donations to make a positive, meaningful impact on the lives of Beaverton High School students by fostering greater opportunities to learn, explore, discover and succeed through funding initiatives not covered by any other sources.

Investments by BHSSF of funds raised are evaluated through the guiding principles of supporting Beaverton High School's Core Values:

Excellence Inspires Us — Funding additional opportunities for academic enrichment benefiting both students and staff

Learning Transforms Us — Providing support for immersive learning experiences, technology enhancements and other needs identified by students and staff

Community Connects Us — Fostering a sense of belonging by creating ways for students to engage in their school community

Tradition Unites Us — Helping students embrace our rich legacy of traditions by removing barriers to participation in school activities and events

WHAT WE FUND

Examples of Initiatives Funded

- **College Scholarships** — awarded to both those in need and those who exemplify Beaverton High School core values
- **AVID Students** — laptops given to all college bound graduating AVID students in the class of 2023
- **Student and Teacher Grants** — funds available for both teachers and students for specific programs, field trips and equipment
- **All Student Body Stickers** — provides free admittance for all students into all school sponsored events
- **Technology** — enhancements in classrooms, including new cameras purchased for photography classes
- **Underwriting of Class, Activity and Athletic Fees** — enables more students to fully participate in their school community, making BHS the most fee-friendly school in the district
- **Athletic Department Funding** — provides for additional safety and equipment needs
- **AP Test Fees** — covers exam fees for all students
- **Graduating Seniors** — underwrites the fees and therefore reduces costs associated with cap, gown and announcement packages
- **Tradition Unites Us** — all students receive a BHS class T-shirt and are invited to join the tradition of school spirit every Friday during the school year
- **Student Run Literary Magazine** — gives a voice to student authors
- **Career Pathway Enrichment** — includes facility and curriculum enhancements for Engineering, Health Careers, Marketing, Digital Media and Education

The BHSSF supports AVID students with cost free laptops to all graduating, college bound seniors.

Class and activity fees are underwritten by the BHSSF to encourage students to explore options and become more fully involved in their school community.

Art fees are supported by the BHSSF, to help more students experience art education.

The BHSSF subsidizes athletic participation fees, allowing more students to participate in athletics.

"Dear Success Fund,

Thank you so much for the Apple Macbook. That was such an incredibly generous gift. After high school I plan on going to college and majoring in computer programming/ computer science, so most of my courses and work would be done on a computer. This donation helps me get a head start on my future."

"Dear Success Fund,

Thank you so much for gifting us all Macbooks! This helps me be further prepared for my future in hoping to take around eight years of schooling, to pursue a career in chemistry and pharmacy!

Once again, thank you!
Brandon J"

"Dear Success Fund,

I want to genuinely thank you for your generosity. Our AVID class was stunned and will forever be thankful! Your gift will not only prepare me for, but help me throughout college. This is another reason and motivation to keep chasing my dreams.

With love,
Ruth P."

"Dear Success Fund team,

No words can explain the happiness you gave me. Living through the pandemic really hurt my family both economically and emotionally, so the thought of getting something like a Macbook was a delusion. You made it a reality! I can go to college feeling ready.

Thank you,
Mason J."

"Dear Success Fund,

Thank you for this amazing gift!! This will really help me out a lot. Not only me, but all of our AVID class. I will be going into the coding field, and now I will have access to resources to help me grow in my field of work. Thank you once again!! This was amazing!

Danna E."

"From a student who struggles financially, I am thankful for the gift given to us. I believe the gift given will help us succeed in our future and reach our academic goals. The Success Fund will help me and my peers not struggle having the resources we will need in college. Thank you so much for the help given us."

"Dear Success Fund,

Gifting our AVID class with the Macbooks was unbelievable. Thank you so much, this is going to help so much with my schooling in the years to come. I on my own could not afford a Macbook, so this really was a surprise to me!

Thank you,
Kyma G."
